# MILANO MARITTIMA THE ADRIATIC COAST

## The Adriatic Coast:

The 200 km coastline of Costa Adriatica is a mosaic of Adriatic villages such as Rimini, Riccione, Cattolica and Gabicce Mare.

You will be welcomed into a village where the rooftops are washed by the sun and foot is covered in sand, draped with a rocky backdrop and green pines, to meet the golden waters of the Adriatic sea.

You can soak in the sun whilst you enjoy visiting the elegant Italian shops in Milano Marittima, which is at a walking distance from the hotel.

Besides the hotel's facilities, the area has lots to offer.

Italy is rich in Jewish heritage, and a dazzling natural environment.

You can choose tours from the many beautiful nearby cities, such as Venice, Florence and San Marino.

**For family and friends, the theme parks on the Adriatic Riviera are an unending source of amusement, fun, and adrenaline!**

**At less than 30 minutes from the hotel, Mirabilandia provides fun for the great and small with over 42 attractions and 10 live shows, set in a huge natural oasis.**

**But the Riviera offers much more of parks. At Milano Marittima, you'll find the Cervia Natural Park, and the CerviAvventura and Gommolandia parks for the little ones. You can also quickly reach the major amusement parks like Aquafan, Oltremare, "Italy in Miniature" and Fiabilandia in Rimini and Riccione.**
